

7-Oct-2022 Team Meeting

Date: 7th Sep

Time: 2pm - 3pm

Location: Zoom

Attendees:

- Edward
- Haoxin
- Ray
- Yifei

Decisions

1. What does not need to have concurrency: register user controller
2. Yifei: Admin, User controllers
3. Ray: Listing Controllers
4. Haoxin: Purchase + Purchases controllers.
5. Still need to be done: Seller Group Controllers
6. Report: Edward Bond (when we get to that stage)
7. Order of locks: alphabetical order based on the database table names
8. Use session id
